### Incredible 'Cats! Western Ends Season in Nation's Top Five

The Cinderella season finally came to a close for the Western Nevada Community College baseball team (41-24-2) as they fell 11-1 to No. 1 New Mexico Junior College Wednesday in Grand Junction, Colo. The Wildcats finished the year in the top five in the nation, won their first two NJCAA World Series games, and finished with a 10-2 post-season record.

After finishing third in the Scenic West Athletic Conference regular season, the Wildcats battled their way to eight straight post-season victories to earn a berth in the NJCAA World Series and a Region XVIII Championship.
